

Figure 9 — Native FRVCP optimization reference

Native FRVCP reference (separate from SynthCharge/EVRPTW-GR TEST).

frvcpy is exact for its FRVCP assumptions, not for full EVRPTW-GR.

Historical figure retained at: C:/Users/AYOUB/OneDrive - EMSI/Bureau/PHD_WORK/RL_charge/Code_source_RL_GNN_paper/RL code/results/final/figures/frvcpy_native/frvcg_gap_hist.png

Regenerate from archived V1 tooling if needed.
